

AK Maths Cancellation Policy

June 2020

Please give me sufficient notice if you need to cancel a lesson for any reason. Any cancellations made after 11am on the day of the lesson are charged at the normal rate. The same applies if a student does not show up for a booked lesson.

In the case of repeated, frequent cancellations (whether before the deadline or not), I do reserve the right to not continue tutoring a pupil.

Any cancellation messages should be sent to my mobile phone or my email.
